## Red Ribbon Week October 27-31

## 2014-2015 Parent & Student Online Surveys

In an effort to improve your child's educational experience, climate surveys are offered in November. These surveys are online and only take a few minutes to answer. You even have an opportunity to write an opinion after each question. Opinions will not be posted publicly but will be used by Candler County Schools' administration to identify weaknesses and problem areas. Please participate at [www.metter.org](http://www.metter.org).
